COMMISSION

Dear Mr. Wilkey:

As you requested, enclosed is the amended Financial Status Report for the State of Minnesota regarding HAVA Title I, Section 101 funds for the reporting period of June 4, 2003, when the state received the funds, to December 31, 2003. This should be considered an interim report until a final indirect expense rate is negotiated. This report, as well as the CY 04 and CY 05 reports that are attached, show that all Title I, Section 101 funds have been expended by the State of Minnesota.

In Minnesota's previous report for this initial reporting period, indirect expenses were calculated at \$86,372.00, 19% of the base as previously reported, which was the proportion of building lease costs determined to be for HAVA purposes. The 19% rate is, as we understand it, a common rate for grantees. This rate was marked as provisional on the previously submitted SF 269 with the understanding that a final rate would be negotiated. Regardless of whether that was a misunderstanding of the process or that the process had been commenced, negotiations for that rate had not been completed with the EAC, as was required. Consequently, Minnesota will apply for a retroactive indirect expense rate to be applicable for this reporting period. Therefore, for this report, indirect expenses have not been taken and the amount of outlays has been adjusted downward on the SF 269. A correction will be made, after the indirect expense rate is applied for and determined, if necessary.

Attached is a table showing the breakdown of interest earned while Title I and Title II funds were deposited in the same interest bearing account. The amount of interest earned, as calculated in the table, was \$35,693.55 for the Title I funds from the time the state received the funds on or about June 4, 2003, until the end of this reporting period, December 31, 2003. Added to that amount is \$545.04, which is the amount of interest that would have been earned on the indirect expenses of \$86,372.00. That makes a total of \$36,238.59 for interest earned, as indicated on the SF 269. A correction will be made, after the indirect expense rate is applied for and determined, if necessary.

Sincerely,

Mark Ritchie  
Minnesota Secretary of State
